DeBolt's Two Days Sports And Stampede Makes a Big Hit With The Large Crowds

The DeBolt Stampede and Sports, held on July 7 and 8, drew a large crowd, especially on the last day, East of the Stampede as far as the Lake was well represented and on the second day the sports attracted a large attendance from the west section. Weather was ideal and the crowd was treated to a long up sports program.

The park was at its best and the committee in charge are to be commended on the snappy way the many events were run off.

Each day the sports were set away with a parade, which formed in the village and marched to the grounds, a mile away. This parade was a fine affair, being made up of cowboys, jockeys, prairie school children, and in fact, everything that goes with a first-class rodeo and sports.

Indian dance and stunts, held among the trees, and not a few white people brought along their camping outfit. Hospitality and cooperation were everywhere in evidence. Among these present was Fletcher Bredin, one of the oldest white men in the north country. Refreshments were served from two booths.

Believing in the eternal fitness of things, Dr. Nelson, who holds from the Land of the Heather, was on the gate and filled the position most efficiently.

Mr. and Mrs. Jim Carey appeared both days. Mrs. Carey gave a thrilling exhibition of trick riding, and Mr. Carey did some fancy roping. And, in turns went over big and gave a pleasing variety to the program.

The talkie shows and stunts, held each evening, drew capacity houses.

Both afternoons were lived up to by the DeBolt orchestra, who rendered a splendid program of music.

E. H. DeBolt made a good job of announcing.

In the horse racing division the Campbell, who rendered a splendid picking off many of the prizes.

EAGLESHAM, July 6.—Saturday, July 18, is the day set apart for one of the finest sports days in the Peace River District, the Eaglesham Annual Sports. This year the sports committee, under the leadership of Mr. J. H. Eaglesham, is providing an entertainment for the public.

Baseball of course is the stellar attraction, with teams coming from all over the district. The football game, to be played for annually. The softball tournament, which is a new feature, and the basketball game, which is also a new feature, will all be of interest to a full and excited day.

In addition to the sporting features there will be a new midway, with talkie, merchandise, wheel games, hoop-la, etc., as the major attractions, with excellent prizes.

An eating booth will be erected on the grounds, as well as a light refreshment booth, and a day of real fun and frolic will be brought to a happy close with a big dance in O. Forger's barn.

In the adult class, Irvin Berg won first prize, putting on a rollicking comedy act. The second prize went to Mrs. Weaver, who gave an exhibition of the Hawaiian dance, in native costume.

In the junior class, Clara Terhew won easily, with Dorothy McMillan second.

This amateur night should be kept up, as we have considerable talent in the district, and it is efforts of this kind that will better it off.

One song entitled, "How We Lost the Fever," was sung by Iray Finkestein, who said his post office was Jerusalem. It went over good. Shortly after this song was rendered, and we would say that rendered "the fever" was a cabaretman was received from Hitter, stating he was not coming to enjoy the concert, and particularly this one piece.

BUFFALO LAKES

BUFFALO LAKES, July 7.—W. Greenham, accompanied by his two daughters, Mrs. McClure, and Master Douglas McClure, left today on a camping trip to the coast.

Mr. and Mrs. Ed Hummer and family also left today for Edmonton.

Mr. and Mrs. Lawrence and family, who were in the district, were expected to visit to Mr. and Mrs. Lawrence last week. Edna Lawrence is now spending her summer holidays with Cliff's sister at Peace River.

Mr. and Mrs. Tom Skarowski and family left last week for Edmonton.

Miss Della Finlay intends to leave today for Edmonton by car.

Art Hanson of the local town is going to spend a couple of weeks at Valhalla—a well-earned rest from insect-decorating.

CORRECTION

The date of the W. A. burlesque tournament, which was announced in last week's news as to take place on Wednesday, August 4, should read Wednesday, August 5.

CURLING CLUB DANCE

The Buffalo Lake Curling Club will hold a dance on Friday, July 31, in the local U. F. A. Hall. Everybody welcome. Followers of the curling game in the neighboring districts are especially invited to come down. Admission, 50 cents; ladies are kindly requested to bring cake. Snappy music guaranteed.

WANHAM NEWS

WANHAM, July 6.—Miss M. Ramsay, who has been teaching in Wanham, left on Saturday's train for Edmonton, where she will spend the holidays with her parents.

Mr. McTavish, our high school teacher, also left on Saturday's train for Edmonton.

We understand a clinic will be held at Wanham the latter part of July, for which we should be very grateful.

Mrs. Roy Cameron, who took sick suddenly last Saturday, is improving rapidly. Dr. Heavily of Spirit River attended her.

L. A. Deriger now has the rest of his lumber, he had and expects to finish his feed barn shortly.

We still hear Social Credit arguments around the town. The latest was over Yarns and Bows. One pretty thought that they would be redeemed at the end of two years for \$2.04, but another says for the use of fact they will be redeemed for one dollar. In other words, we will pay 52 per cent for the use of the scrip. If that is so, goah, these bankers of our look like a bunch of pikers.

LITTLE SMOKY

How do you do, one and all. Readers of The Northern Tribune. Ain't the crops looking just simply grand?

And may we all have some money soon.

How are we all at the Smoky you ask. Thank you, we are all just fine. Patiently awaiting the dividends. But we neither whinger nor whine.

We were to have our picnic on the first of July.

But it naturally had to rain, so it was postponed for another week.

So we believe in trying again.

But the dance at the school was held just the same.

And either was hard to get there on account of our terrible half-finished road.

The size of the crowd was quite fair.

At Mr. Cunningham's home the club feeling was held.

The afternoon of the Saturday past. Our numbers were small but we have a much good time.

That the leaving time comes much too fast.

And Browns from the river and Pete Cunningham's.

On the 1st of July, when "no one should work."

But some of us "have to" work.

One of our young neighbors, Mr. Ivan Heath.

Was thrown from a horse not long ago.

And a dislocated shoulder was the result.

So next time, Ivan, just sit so.

Mr. Gordon Carpenter was home for the week-end.

You know he works on the road.

And now Wesley Florence is working there too.

And with the Carpenters makes his abode.

Mr. Somers' cow just lay down and died.

No one knows what was really the cause.

Of her demise coming so soon.

Well, now I guess, I will now "sign off."

And bid you all good night.

In spite of all the ups and downs of our demise coming so soon.

May we all have a winning fight.

July 2, High Prairie, Alta.

These pictures show Vimy as it is today. At the top is a general view of the town with the Canadian War Memorial visible on the brow of the ridge. At the lower left is the new church, while at the right is the town hall.

LEMKE-SWEENEY MAY HEAD THIRD PARTY TICKET

The coalition of the Coughlin-Townsend-Smith forces into a third party movement aroused speculation as to who would be the candidates put forward by the new United States political union.
